ADOPTING A KITTEN? HERE'S SOME INFO!

Fact Sheet for Adopting from the Kitty Condo

- You must be a resident of Doña Ana County.
- You must complete the pre-adoption questionnaire (available at the main Doña Ana County reception desk).
- You must present a valid picture ID to the staff of the Animal Services Center of the Mesilla Valley. Military IDs are NOT accepted.
- You must show proof of residency (utility bills are preferred) to the staff at the Animal Services Center of the Mesilla Valley.
- You must attest that your kitty will be an indoor pet.
- If you rent your home, you must provide your landlord's name and contact information to the staff at the Animal Services Center of the Mesilla Valley. Your landlord will be contacted before an adoption will be finalized. You can, however, leave a non-refundable $25 deposit to hold the pet pending approval of the adoption by your landlord and the shelter staff.
- The adoption fee for each kitty is $50. This fee includes the first set of vaccinations, the spay/neuter operation and a microchip.
- Please realize that all adoptions from the Kitty Condo and the Animal Services Center of the Mesilla Valley are legal transactions, and you are legally obligated to abide by the terms of the contract, which will be fully explained to you by the shelter staff and within your paperwork.
- Please realize the shelter staff is VERY busy. Please don't think them rude when they are processing your adoption; they're just making sure you understand your obligations clearly!
- When you return to the Kitty Condo to pick up your new kitten, you MUST bring a suitable carrier. (You can get a free cardboard carrier upon request from the shelter staff.)

ENJOY YOUR NEW KITTY!
