"SOLE SOURCE" PROCUREMENT JUSTIFICATION

Sole source purchases are goods and services available from only one vendor. There may be just one vendor because of patents or copyrights or simply because the vendor is the only one which supplies the good or service. Using Department must provide a written explanation as to why only this particular product/service is acceptable and why no other will be suitable or acceptable to meet the need. A quote must accompany this form.

Department name: __Detention Center_____

1. Name of product or service: _Adtec Detention Systems product line__
2. Name of product manufacturer: __Corrections Products Company_____
3. Name of "sole" product supplier or service provider: _Corrections Products Company
4. Describe in general terms the product/service you are requesting and the intended application. Replace worn and broken Adtec Detention Systems lock parts.

5. Describe the unique features/capabilities/characteristics that distinguish it from other products/services. Corrections Products Company is the manufacturer and supplier of Adtec locks and parts for Detention Systems. This is the company that provided the Detention Center's lock system and therefore has all of the codes for keying our locks and keys.

6. How did you determine there was only one source for the product or service? Provide information on the research that was performed to locate suppliers for this product(s) or service(s). (Please furnish names, addresses and other documentation). Checked the internet for manufacturers of the Adtec Detention Systems. I check the website of other States and Counties to see who they used. All referred back to Corrections Products Company.

7. What product supplier or service provider has your Department used until now to satisfy similar requirements? Corrections Products Company

Signature of Department Head _____ Date 7/5/2012

(Attach Quote and Use Additional Sheets As Necessary)
**This form is used by Purchasing Department to determine if a "Sole Source" procurement criterion is met. Completing this form does not guarantee approval of this type of procurement.

Scott:

Quote below. We redesigned the PC board and took out the force limiting components and replaced them with the clutch assembly inside the new spur gear.

Thanks,
Brooks
