

"SOLE SOURCE" PROCUREMENT JUSTIFICATION

Sole source purchases are goods and services available from only one vendor. There may be just one vendor because of patents or copyrights or simply because the vendor is the only one which supplies the good or service. Using Department must provide a written explanation as to why only this particular product/service is acceptable and why no other will be suitable or acceptable to meet the need. A quote must accompany this form.

Department name: CRRUA

1. Name of product or service: Sludge Hauling
2. Name of product manufacturer: EL Paso Disposal
3. Name of "sole" product supplier or service provider: EL Paso Disposal
4. Describe in general terms the product/service you are requesting and the intended application. Haul ~~some~~ sludge from WWTPs to landfill as mandated by NMED/EPA
5. Describe the unique features/capabilities/characteristics that distinguish it from other products/services. Sludge needs to be hauled by a NMED certified hauler
6. How did you determine there was only one source for the product or service? Provide information on the research that was performed to locate suppliers for this product(s) or service(s). (Please furnish names, addresses and other documentation).
least expensive of 2 quotes received, SCSW was considerably more expensive due to travel mileage.
7. What product supplier or service provider has your Department used until now to satisfy similar requirements? Same

Signature of Department Head

11-3-20
Date

(Attach Quote and Use Additional Sheets As Necessary)

**This form is used by Purchasing Department to determine if a "Sole Source" procurement criterion is met. Completing this form does not guarantee approval of this type of procurement.

Importance: High

CAUTION: This Email is from an EXTERNAL source. Use extra care with attachments, links or when responding to this message. **Original Sender: bfacilityops@comcast.net.**

Here is the quote I received from South Central Solid Waste in Las Cruces and just with the transportation cost alone it would be an enormous cost to CRRUA. I have also attached the spreadsheet I prepared back in July.
