After reviewing all the information collected in the course of an investigation of an employee, the department head or designee may order the employee to submit to a polygraph examination administered by a licensed polygraph examiner, provided that all other reasonable investigative means have been exhausted. Failure to cooperate may be the basis for disciplinary action, up to and including termination. Nothing herein shall preclude an employee from exercising any constitutional or statutory right to which the employee may be entitled.

11. Except as otherwise provided by an arbitrator or a court of law, disciplinary actions shall be noted in the employee's official personnel file kept by the Human Resources Department.

12. All disciplinary action to include oral reprimands, written reprimands, demotions, suspensions, or terminations will be for just cause. B. Any disciplinary action below a written reprimand (i.e. coaching and counseling, documented verbals) kept in a supervisor's personnel file shall be removed from the supervisor's personnel file after the expiration of twelve (12) months from the date of issuance, provided the employee submits a written request to the supervisor for such removal, describing the specific disciplinary action(s) to be removed with reasonable particularity.

C. Any satisfactorily completed performance improvement plan kept in a supervisor's personnel file shall be removed after the expiration of twelve (12) months from the date of satisfactory completion, provided the employee submits a written request to the supervisor for such removal, describing the specific performance improvement plan(s) to be removed with reasonable particularity.

13. Disciplinary actions involving counseling and documented verbal reprimands may be appealed to the director for final determination. The employee may attach a rebuttal to any written disciplinary documentation in the employee's personnel file.

All findings will be handed down in a timely manner not to exceed twenty (20) business days from the conclusion of a Professional Standards Unit (PSU) investigation, which occurs when the official finding(s) form is issued by the department head or designee. The twenty (20) business days begins on the following business day from issuance and refers to Monday through Friday, excluding holidays. When a PSU related investigation continues beyond twenty (20) business days from initiation, and when the PSU investigation is only administrative in nature (not a criminal investigation), then
the Union shall be informed that the investigation is still continuing and that no disposition has been finalized at that point. The Union shall be further informed every successive thirty (30) calendar days thereafter via email. The time limits specified in this paragraph shall not apply to EEO, workplace violence or incidents or gross negligence or gross misconduct based investigations conducted by the County's Internal Affairs Investigator or assigned outside investigator.

16. Except where outside agencies are involved in the investigation, the County may impose discipline no later than eighty (80) work days after it acquires knowledge of the incident for which the disciplinary action is posited, unless facts and circumstances exit which require a longer period of time.

17. An employee may be allowed to use up to 50% of the amount of suspension time, up to a maximum of ten (10) days of accrued vacation or comp time in lieu of suspension without pay. This option is available to the employee only if they do not appeal the suspension.

D. If the employee does not request a pre-determination hearing, or fails to appear at the hearing, the employee is deemed to have waived his/her right to contest the matter and the action recommended in the notice of intent shall take effect.

E. If there is a request for a Pre-Determination Hearing to the Notice of Intent, the hearing shall take place within 10 work days of a request for a hearing, unless the employee and the employer agree in writing to an extension of time or a hearing officer who is not a county employee is retained to conduct the hearing. A representative of the employee's choosing may represent the employee.

F. The purpose of the oral response is not to provide an evidentiary hearing but is an opportunity for the employee to present his or her side of the story. It is an initial check against mistaken decisions and a determination of whether there are reasonable grounds to believe the charges against the employee are true and support the proposed action.

G. The employee shall be notified by the department head or designee, within five (5) work days, of the results of the pre-determination hearing.

H. The Notice of Determination will specify the disciplinary action to be imposed, and the effective date of the action. The notice will be delivered by mail to the employee's address of record, email, or by personal delivery.
I. The Notice of Determination may be appealed in accordance with the grievance articles. Only employees who elect to have the pre-determination hearing shall have an appeal right.

2. An employee may not carry over more than 240 vacation hours beyond the pay period that includes the last day in the fiscal year (June 30). All time in excess of 240 hours will be lost unless an employee has been denied requested vacation time in which case he will be given an opportunity to reschedule and utilize his/her vacation accruals above 240 hours. The DACDC Director shall submit a list of those employees who have been denied requested vacation time prior to June 25th each year and request approval of the County Manager to carry over more than 240 hours into the new fiscal year. If approved, the County Manager will forward the approval list to the Human Resources Department by July 1.

3. Classified employees shall be compensated in cash at their regular rate of pay for any accumulated but not used vacation leave of up to 240 hours when they are separated from the County.

4. An employee shall not accrue additional vacation leave for time worked in excess of forty (40) hours per week.
5. Leave will accrue only if the employee is paid for at least 50% of the employee's normal hours per pay period (as defined in the County payroll data system) including his or her own vacation and/or sick leave hours taken but not including any sick leave bank withdrawn hours or other sources such as worker's compensation or disability payments.

6. During periods of unpaid leave when the employee's earnings are not sufficient to cover the employee's group insurance premiums, the employee will be responsible for the payment of both the employee and employer contributions to maintain coverage unless the unpaid leave time is certified as FMLA covered time.

7. Leave shall not be granted in advance of accrual. Vacation hours accrued in one pay period cannot be used in the same pay period.

8. Vacation leave shall be requested and approved at least forty-eight (48) hours in advance, whenever possible. Approval will be subject to advance notification, and the needs of the department.

9. Vacation leave shall be charged in increments consistent with the time keeping system.

10. In the event of the death of an employee, compensation for earned vacation leave shall be payable to the employee's estate.

**Article 33  INTERNAL AFFAIRS, INVESTIGATIONS, & POLYGRAPH EXAMINATIONS**

1. An employee accused of misconduct has the right to have a member (representative) of the collective bargaining unit present during any interview related to the alleged violation.

2. A representative may not interfere with the investigation. If possible, the interview of an employee will be during the employee's work hours.

3. Before the interview begins, the investigator will inform the employee of the nature of the investigation and provide the employee information sufficient to reasonably inform the employee of the allegations against the employee.

4. All findings that result in a suspension, demotion, or termination will be grievable.

5. If there is a finding against an employee that results in disciplinary action including a written letter of reprimand, suspension, demotion, or termination, the employee may request and be given a copy of any audio/video recording that is used as a basis in the decision to discipline the employee.

6. An employee who provides a statement during an investigation may request and receive a copy of the employee's own statement. Generally, the County will not provide these statements until it has completed its investigation.
7. An employee must cooperate with any investigation and truthfully and completely answer any questions relating to the matter under investigation whether the employee is a participant or witness to the matter. Failure to cooperate may result in discipline including termination.

8. The County Manager may in appropriate cases, when it is believed that all other investigative leads have been exhausted, order an employee to submit to a polygraph examination as a condition of continued employment only after the Department Director has reviewed the case and recommends that the employee submit to a polygraph examination. The employee may have a representative observe the examination. The representative may not interfere with the polygraph examination and will generally view the examination through a window.

**Article 34 MEETING SPACE**

1. A Union staff member or Union Officer may request use of meeting rooms during normal department business hours on County facilities to conduct union business with employees in the bargaining unit. County employees attending union meetings during normal department business hours will be on authorized leave status or normal scheduled time off.

2. The County shall not interfere with the rights of employees and the Union to meet on matters related to the investigation or filing of a grievance.

3. The Union shall attempt to reserve meeting rooms by providing at least seven (7) calendar days’ notice. A request for use of meeting rooms by bargaining unit employees must be submitted to the department or office head or designee for approval. The department head or designee should respond to the person requesting the room no later than two (2) calendar days after the request is received.

Use of the bulletin board shall be limited to the posting of notices concerning union business such as information related to the recreational and social affairs of the Union or Chapter; Union or Chapter meetings, Union or Chapter elections; reports of enactments and judicial decisions affecting public employee labor relations; and notices or announcements pertaining to the activities of the Chapter, State or National Association.

1. A lateral hire will be given credit for full years of service as an applicable detention and/or corrections officer, or other directly related experience as determined by the Human Resources Director and the County Manager. 2. An employee who voluntarily terminates employment on good terms (not as a result of any disciplinary action or in lieu of disciplinary action or with disciplinary action pending), and returns to employment within one year of separation from the County, will return at the pay step at which they left. An employee who returns to employment after one year will be given credit for prior years of service as set forth in paragraph 1 above.
