

EMERGENCY PURCHASE REVISION JUSTIFICATION

April 4, 2014

To: Chuck McMahon
Assistant County Manager, Operations

From: Kurt Moffatt
Utilities Manager 

An emergency purchase justification is requested for James, Cooke and Hobson (\$9,095.10) to repair both submersible Flygt pumps in CRRUA's Rio Vista lift station. Both pumps have failed and we are using a borrowed pump from another lift station until repairs can be made. The purchase is necessary to prevent a sewage spill or backups in residents' homes serviced by either lift station. James, Cooke and Hobson is the authorized Flygt service center in this region and we are in the process of "Sole Sourcing" their services.
