

**EMERGENCY PURCHASE JUSTIFICATION**

January 14, 2014

To: Chuck McMahon  
Assistant County Manager, Operations

From: Kurt Moffatt *KM*  
Utilities Manager

An emergency purchase is requested from All Trades Industrial (\$1,700.00) for an after hours emergency service call at CRRUA's Walnut lift station and the Dagger lift station. Both lift stations had mechanical failures at the same time and were in danger of overflowing. ATI was available to come out immediately to service both lift stations. The purchase is necessary to prevent a sewage spill and/ or backups.

Approved
