

“SOLE SOURCE” PROCUREMENT JUSTIFICATION

Sole source purchases are goods and services available from only one vendor. There may be just one vendor because of patents or copyrights or simply because the vendor is the only one which supplies the good or service. Using Department must provide a written explanation as to why only this particular product/service is acceptable and why no other will be suitable or acceptable to meet the need. A quote must accompany this form.

Department name: Detention Center

1. Name of product or service: Lightfield Less Lethal Ammunition
2. Name of product manufacturer: Lightfield Less Lethal Research of Adelphia NJ
3. Name of “sole” product supplier or service provider: Lightfield Less Lethal Research
4. Describe in general terms the product/service you are requesting and the intended application. Less Lethal Law Enforcement ammunition for use in shotguns.
5. Describe the unique features/capabilities/characteristics that distinguish it from other products/services. Lightfield less lethal products are **accurate**, effective, affordable and designed to address range-specific applications. The accuracy is incomparable to competitors who claim to have a similar product and our USC-SOG training backs the specific use of Lightfield Less Lethal ammunition. Lightfield Less Lethal ammunition has the best point of aim, point of impact accuracy compared to any other 12 gage less lethal ammunition that I have researched and that is extremely important being that this ammunition has the potential of being lethal if fired at vital areas of the body.

USC-SOG is one of the most trusted, dependable, and reliable training group in corrections with nearly 20 years as a corrections-specific training. USC-SOG offers the latest, most technologically advanced training to the corrections community that exists today.

The Dona Ana County Detention Center has received and plans to continue receiving USC-SOG Correctional Less Lethal Combat Ops training. This program entails the only full comprehensive traditional and unconventional uses of less lethal weapons, Less lethal ammunition, tactics and technology. USC-SOG also has a legal team with expert witnesses to back their training with Lightfield less lethal products.

A competitors less lethal ammunition is not feasible.

6. How did you determine there was only one source for the product or service? Provide information on the research that was performed to locate suppliers for this product(s) or service(s). (Please furnish names, addresses and other documentation). Checked the internet for vendors of the Lightfield Less Lethal Law Enforcement ammunition.

7. What product supplier or service provider has your Department used until now to satisfy similar requirements? Previously purchased from Uniforms of Texas, but per the sole source letter from Lightfield Less Lethal Research of Adelphia NJ, they no longer sell through third party dealers.
