

ii. ACKNOWLEDGEMENT

The development of the ETZ Comprehensive Plan is the result of countless hours by ETZ Planning Commission members, elected officials, Planning staff, citizens, local, state and federal agencies, as well as GeoStat’s staff. Careful attention was paid to including the important contributions of the public in the Plan. Citizen input was integrated into each element of the Development Plan, Goals and Objectives, as indicated.

Board of County Commissioners:

Commissioner Carlos Garza, Chairperson
Commissioner Gilbert T. Apodaca,
